### Common Questions

#### 1. Do I have to appear in Court?

No. **Only** if you want to contest your citation, you must appear in Court on the appearance date and time indicated on your citation. You may also have an attorney file a written response by that date.

#### 2. What happens if I want to go to Court but I cannot make it on the day given?

You may be granted a new court day for a valid reason. You must contact the Traffic Violations Bureau to request a continuance.

#### 3. I decided to admit & pay my citation. May I have more time?

Yes. You have 30 days after your first court date to make payment.

The Court does not issue an arrest warrant if you fail to appear and fail to pay within the grace period. **NO GRACE PERIOD FOR CDL (Commercial Driver's License) OPERATORS. A CDL FINE MUST BE PAID BY YOUR COURT DATE.**

#### 4. What if the payment is not received within the 30 day grace period?

The Court will notify the Bureau of Motor Vehicles of your non-compliance and will suspend your driver's license. If you have a driver's license in another state, Indiana will notify your state and seek suspension of your driver's license in that state.

#### 5. Can I call and explain my situation to someone?

No. If you want to contest your citation, you must do so on the Court date. **The Court and the Clerk cannot provide legal advice.**

## Clark County Prosecuting Attorney Infraction Deferral Program (\$192.50)

[www.clarkprosecutor.org](http://www.clarkprosecutor.org)

(Click on "INFRACTION DEFERRAL PROGRAM")

Instead of paying the \$171 traffic violation ticket, the Infraction Deferral Program is offered by the Prosecuting Attorney to allow safe drivers to maintain their good driving record. After 6 months without another traffic violation your citation will be dismissed. No convictions or "points" relating to your Citation will appear on your BMV driving record.

You are **NOT** eligible for the Infraction Deferral Program if:

- You have already paid your Citation.
- Your Citation is based upon violation of a Local Ordinance rather than a State Statute.
- You have participated in an Infraction Deferral Program within the past two (2) years.
- You are a Habitual Traffic Offender.
- You have a Commercial Driver's License (CDL).
- You have a Probationary License.
- You do not have a valid Driver's License.
- Your Citation is related to a criminal act, you are on probation for a criminal conviction, or other criminal charges are pending.

Unless extraordinary circumstances are present, Citations for Passing a School Bus and Speeding 25+ MPH Over Speed Limit are NOT subject to deferral. Citations which result from a traffic accident are NOT subject to deferral unless proof of insurance is shown. The Prosecuting Attorney has complete discretion to deny any deferral.

If you decide to participate in the Infraction Deferral Program, follow the steps below:

1. Get the Infraction Deferral Agreement from the Prosecutors website or in-person at the Traffic Violations Bureau.
2. Complete and sign the agreement and return it to the Clark County Traffic Violations Bureau. If you are an out of state resident, you must include your driving record, which is obtained from your states Bureau of Motor Vehicles. *Do not send the deferral payment.*
3. Your information will be reviewed by the Prosecutors office. It may take up to 2 weeks to get a response for an approval or denial.
4. You will be notified of your approval or denial with payment instructions. Payment may be made online, mailed or in-person.
